About VHCA Hair Clinic

VHCA Herbals Pvt. Ltd. operates under the brand name VHCA Hair Clinic. The VHCA Herbals Pvt. Ltd. was founded by Vaidya Hukum Chand in 1928. The company forayed into the hair care segment in 2000 with a vision to provide holistic hair care treatment. VHCA Hair Clinic was formed by Dr. Mukesh Aggarwal (A National Awardee in Ayurveda & Social Services) with an objective to provide natural solutions to make people more beautiful by re-growing their hair & reinstating their confidence. The USP of the company is its Ayurvedic treatment blended with Modern Science. We have a vision of 1000 Associate Clinics till 2025. For more Info visit, www.vhcahairclinic.com.

About the Conference

The Aim of the Conference is to Equip Ayurveda Doctors, Researchers and Academicians by the deep understanding of Ayurvedic & Modern Trichology (Hair Science). After this Conference, they would know about all the hair disorders, Diagnostic tools & Various treatment modalities available. This Conference will also provide a Podium to Research Scholars to put their innovative ideas & research findings in hair Science by means of Oral & Poster Presentations. Please join hands early to avoid disappointment as we have limited seats. For more Info visit, www.trichon.in.
